

## SWITCH ON YOUR POTENTIAL

If you want to discover your gifts  
and develop your leadership skills...

... if you want to be challenged  
and encouraged...

... then Switch is for you!

Switch is a new community of young people (13-20 years) who want to develop as leaders.

We will be meeting together throughout the year with weekend retreats, training events, mentoring, and online discussions, in order to uncover your potential as a leader - at school, at uni, at youth group, at work, at church... wherever!

And because we really value you as a young leader, Switch is totally **FREE!**

Our next leadership retreat is coming up soon:

**19-20 SEPTEMBER**

starts: Saturday 19 September at 9.30am

finishes: Sunday 20 September at 2.30pm

at: St Margaret's Anglican Church,  
102 Hillsborough Road,  
Hillsborough

bring: pillow, sleeping bag, mattress,  
pyjamas, toiletries, Bible

cost: FREE

Make sure you don't miss out on this great opportunity - fill in a registration form and send it in today!
